Delta Dental of North Carolina

WHO IS ELIGIBLE?

Any North Carolina resident can enroll. Membership is open to all North Carolina residents and their eligible dependents. If you have been covered by a Delta Dental of North Carolina individual or family policy and drop coverage, you are not eligible to re-enroll for 12 months.

WHEN DOES MY COVERAGE BEGIN?

Your coverage begins on the first day of the month following the day we receive your application and initial premium. The initial coverage period is for 12 months and we guarantee not to change your premiums during the coverage period. The policy and your coverage will terminate due to nonpayment of the premium or upon a member's written request.

Waiting periods may apply.

WHAT IS THE WAITING PERIOD?

Waiting periods vary by plan. There are no waiting periods on preventive or diagnostic services.

Please refer to the benefit chart for the waiting periods that apply to each plan.

Choosing the plan that's right for you and your family.

With Delta Dental of North Carolina's individual and family plans, it's easy to get the coverage you need to protect your health - and your wallet. Here are some things to consider when choosing your plan:

EVALUATE YOUR NEEDS

A single adult under the age of 30, with very good dental health and no history of oral disease, has very different dental benefit needs than an individual with a history of extensive oral health issues or even a family of four. Be sure to determine your specific dental needs when finding a plan that's right for you.
